PROJECTS

Tutor app

This app developed for learning React-navigation types

- Bottom Tab navigator
- Top bar navigator
- Drawer navigator
- Stack navigator

Git => https://github.com/NAZIMUDHEEN267/challenge_11

Todo app

Redux tool little bit confused me then i builded an app with that tool, I only added "February" month dates for this app

Git => https://github.com/NAZIMUDHEEN267/todo_app
